To,

Hiring Team

Dear Sir/Madam,

I am writing this letter to you regarding the Recruitment that has recently opened up in your company. I was pleasantly surprised to find that I have all the required qualifications for this job. I am currently pursuing Master of Computer Application from CMR Institute of Technology, Bangalore which is affiliated to Visveswaraya Technological University, Belagavi. Currently, I hold a total 7.88 CGPA and have been a good student in the entire term of my study. I also been graduated with 71.29% in Bachelor of Computer Application from SDM Degree College, Honnavar which is affiliated to Karnatak University, Dharwad. And I also completed my 10th with 72.64% and 12th with 62.5% under State Board.

My interest with Web Development helped me in developing a project called Nautilus-Parking System (Major Project) and Seminar Hall Booking (Mini Project). I am much more interested in Java. Recently I completed a Project on Electronics called 'Jammer using CA3130'. Currently I am working on IoT Project called 'Alcohol Detector using MQ135' and 2Data Analytics Project called 'Crime Rate Predictor' and 'Heart Health Prediction'. Moreover, I am quite expert at Microsoft Office Tool.

In my Graduation College Days, I served as Arts Secretary of College Student Union and organized multiple Events. I was Volunteer in Social Organization also. My hobbies are to play with friends& Watching movies and Newly Released Series. I know to 4 Language like Kannada, English, Hindi and Konkani.

I would be grateful to have an interview session with you. Please have a look at the resume that I have enclosed with this letter as per your convenience. I have provided my email id and contact number should you be interested in knowing more things about me.

Sincerely,

Amogh L Salehittal
